REP

MEDIA KIT

Europe Real Estate (REP) is an independent media and marketing platform that offers an extensive overview of real estate developments in more than 30 European countries, including the markets of central and eastern Europe, Russia and Turkey. Since 1999, REP has been spreading the word about commercial real estate to industry professionals and providing the opportunity to participate and find potential partners and clients through its news, features and publications.

Online

REP collates the latest real estate/property deals, company reports, new developments and research on europe-re.com, which

acts as a hub for information on upcoming events, news, and deals and features interviews with leading industry players as well as project and company profiles. REP reaches over 20,000 subscribers to its daily newsletter service, through europe-re.com, and gme-re.com (Greater Middle East real estate).

Partners

REP works with a selection of pan-European commercial real estate organizations, property owners, real estate companies, shopping centres, market analysts, media agencies, universities and specialised event companies.
